▪ **CONSENT ORDER**

This matter was opened to the New Jersey Board of Medical Examiners ("Board") on September 11, 2002 when the Board reviewed a proposed Provisional Order of Discipline seeking the suspension of Respondent's license to practice medicine and surgery in the State of New Jersey pursuant to N.J.S.A. 45:1-21(f). The proposed Provisional Order of Discipline was based on Respondent's October 24, 2000 conviction of second degree murder for the death of his wife in the State of New York and was never filed by the Board. Subsequently, on or about December 20, 2000 Respondent entered into a Surrender Order with the State of New York, Board for Professional Medical Conduct in which he did not contest the charge

of having been convicted in New York State Supreme Court, New York County of murder in the second degree. On or about March 2, 2001 Respondent also agreed to an Order revoking his license in the State of North Dakota based on his conviction of second degree murder. The above conviction in the New York State Supreme Court provides grounds to take disciplinary action against Respondent's New Jersey medical license pursuant to N.J.S.A. 45:1-21(f). The disciplinary actions in the states of New York and North Dakota provide grounds to take disciplinary action against Respondent's New Jersey medical license pursuant to N.J.S.A. 45:1-21(g).

Respondent's New Jersey medical license expired on June 30, 1991. As a result of Respondent's failure to submit his biennial renewal in 1991, his license to practice medicine in New Jersey was automatically suspended pursuant to N.J.S.A. 45:9-6.1.

The parties being desirous of resolving this matter and the Board finding the within Order to be adequately protective of the public interest and for good cause shown;

IT **IS**, THEREFORE on this 9TH day of MARCH, 2006,  
HEREBY ORDERED AND AGREED THAT:

1. The Respondent, Robert Bierenbaum, M.D., shall immediately surrender his license to practice medicine and surgery in the State of New Jersey to be deemed a revocation with prejudice to seeking any future reinstatement thereof. In the event that Respondent's conviction of second degree murder is reversed on appeal, there would be an exception permitting Respondent to petition the Board

for reinstatement of his license to practice medicine in the State of New Jersey.

2. Respondent shall follow this Board's Directives for Licensees Who have Surrendered Their Licenses with Prejudice, a copy of which is attached hereto and made a part hereof.
